SAFE SPACE

Hairsine Community League is proud to be a safe space for all individuals, including those in the LGBTQ2S community.

PRESCHOOL COMING THIS FALL

A Preschool may be moving into our building in the fall of 2019! Please contact 780-964-1310 for more information

SUMMER HOURS

Reminder, that we are open during the summer, including our concession stand. Our hours of operation are Mon-Friday 12-8pm. There are plenty of activities and games happening, so please drop by. No registration required.

MESSAGE FROM THE PRESIDENT

I hope you are all having a safe and wonderful summer with your families and friends.

Here at the Community League we are in the middle of organizing our two large events that I hope you can all make it out too.

The first one is welcoming our newest community Ebbers (Manning Village) into our Community league. We will be hosting a BBQ and have activities on Friday Aug 9th from 6-8 pm at the Ebbers Playground. Our Community League now includes: Hairsine, Clareview Campus, Kirkness and Ebbers communities.

The Second event is our annual Community Day Event held on Saturday Sept 21st from 12-4 and once again the BBQ will be out as well as activities for the whole family including our first ever "Hairsine's Got Talent" Karaoke style. And by popular demand we will have a small beer garden set up including a dance floor with music for our members and guests.

We hope to see many of community members out to our events and remember our Building is open from 12-8pm Monday to Friday during the month of August as a drop-in facility for families. We have many activities for outside and board games and movies inside. I was even told there is a Pokémon Station located by our Building! We offer free WIFI for our members and concession is open for frozen treats, candy, chips and drinks. Pauline our program supervisor is always around as well if you have any questions.

Membership Sales starts in August and they are only 25.00 per person/family and 20.00 for seniors if purchased in person. You can purchase them all summer long from 12-8 at the Community Hall (Cash only) Many benefits for becoming a member which you can check out on our website at www.hairsine.ca

We are Looking forward to the next couple of months as our board discusses our 1-5 year plan and what we want coming from the Community League, some suggestions that we have received are, community gardens, community off-leash dog area inside one of our rinks, purchasing a large tent to cover one of the rinks as we do not have a hall, Going Green using Solar, Preschool set up, Friday night teen nights, Movie nights, Playground and Splash pad. If you have something you would like to see run out of the hall, please email me at president@hairsine.ca

Hairsine Hawks had another successful soccer season with many of our teams making it to the City finals. We hosted 10 teams this outdoor season so want to thank all the parents, players and coaches for representing Hairsine Community league so well! Go Hawks Go!

In Closing, I want to thank all the board members and volunteers that come out and support Hairsine Community League, without all of your dedicated free hours we would not be able to pull off the events and run the League so great!!

Yours Sincerely

Les Barker

President, Hairsine Community League

- Stroll down one of the many farmers markets in the city during the week

UPCOMING EVENTS

EBBERS BBQ

August 9th we are hosting a welcome to the community BBQ for the Ebbers neighborhood. The event will be happening in Ebbers near the gated dog park and the playground. There will be food, drinks,, a clown, and much more entertainment!

COMMUNITY DAY EVENT

The community day event will be held at our hall on September 21. Food and drinks will be available (including a cash only beer garden for community members and guests). Lots of entertainment for the whole family, including karaoke! Come on down and celebrate community day with us!

GARDEN COMMITTEE

The league is still looking for individuals interested in being part of the garden committee. Please contact us at president@hairsine.ca

WE WANT TO HEAR FROM YOU

The league is hoping to see some big changes in the next few years and we will be looking to the community to help us with these changes. Having your feedback will help the board decide which projects to take on first, and which are not top priority for our communities.

Keep posted on our Facebook page, our website, and the letter boards we have up at Hairsine Park and Kirkness Park.

Our community garden photo contest is wrapping up soon. Please send in your photos to us through Facebook before the end of July and we will announce the winner on Facebook the beginning of August
