HOPPING INTO SPRING WITH HAIRSINE COMMUNITY LEAGUE

Spring has finally sprung! We hope that despite the circumstances everyone had a safe and eventful winter. We were happy to see the ice rink as busy as it has ever been and look forward to continuing that momentum next winter. Due to the warming weather, the rinks are now closed but we thank everyone that came out to skate with us. Our building is still closed to the public as we are currently waiting on restrictions to be eased by the provincial government, but once that happens we are looking forward to offering some fun and exciting programming and events to the community in the second half of 2021. Stay tuned for future updates!

HAIRSINE COMMUNITY GARDEN

There has been a lot going on behind the scenes to get the Hairsine Community Garden project up and running. Our dedicated garden committee has put in many hours to ensure this project is approved and up and running for this spring! The committee holds meetings once per month and all that are interested are welcome to join.

We also encourage anyone who would like to help volunteer for this exciting project send the committee chair an email at hclgc@hairsine.ca
