

NEWS AND UPDATES:

SUMMER 2021 WITH HCL

Hey Hairsine!

We have had a great summer so far and have been able to start providing a lot of the fun programs we had pre-pandemic. The Hairsine Hawks teams had a great outdoor soccer season, AYP has been back at the hall offering free programming, and we took part in the City of Edmonton's Green Shack program.

The Hairsine Community Garden officially opened in May and was met with tremendous support from the community. We filled all garden plots for the season shortly after opening. We will resume meeting in the fall and will be looking for more volunteers for the committee. If interested, please email Chantelle at hclgc@hairsine.ca

We are hoping to introduce some new and exciting programs and events in 21/2022 and we need your help to make it happen!

WE WANT TO HEAR FROM YOU

HCL is always looking for new and innovative ways to engage with our community.
