MOVE OVER 2020, HERE COMES 2021

Merry Christmas and a Happy New Year to all of our HCL family, and what a challenging year it was. It will come as no surprise to anyone that due to the constant changes and restrictions surrounding the covid-19 pandemic, we had to make the difficult decision to cancel most if not all of our programs and events in 2020.

However, during December we as a league decided to support the shop local initiative by binging to our members the HCL 12 Days of Give-Aways. Each day for 12 days we hosted mini-contests on our social media platforms and gave away some incredible items made right here in Alberta. We hope that this even brought joy to our community and we are happy to have supported such remarkable Alberta businesses. If you would like to learn more about the businesses we supported please email: publicity.director@hairsine.ca

As we move into 2021, we are hoping to be able to run more programming and host our highly anticipated Community Day events once again.

We will always strive to do what is in the best interest of our community. Please keep an eye on all our social media platforms for new updates within our league and community.

COMMUNITY GARDEN COMMITTEE

We are currently in the works of developing our community garden. This has been a highly anticipated program for HCL and we are looking for volunteers in the community to form the committee. If you or someone you know would be interested in joining the Community Garden Committee please email publicity.director@hairsine.ca

VOLUNTEER WITH HCL

As many of you know, HCL is a 100% volunteer ran organization. We are always on the lookout for new volunteers to help organize our events and programs. It is because of the amazing volunteers that we can host events throughout the year and give back to the community. If you or someone you know would like to volunteer your time with HCL please reach out to our Volunteer Director at volunteer.director@hairsine.ca We are hoping to introduce some new and exciting programs and events in 2021 and we need your help to make it happen!

WE WANT TO HEAR FROM YOU

HCL is always looking for new and innovative ways to engage with our community. If there is something you would like to see HCL work on please reach out to us and let us know, we value your input and look forward to bringing your ideas to life! Please email your ideas to publicity.director@hairsine.ca
